

Universitatea "POLITEHNICA" din Timisoara

## The First Workshop on Mechanisms, Transmissions and Applications MeTrApp 2011 Timișoara, Romania, October 06-08, 2011

### Organized by

Politehnica University of Timisoara  
Department of Mechatronics

### Under the Patronage of IFTOMM

International Federation for the Promotion of  
Mechanism and Machine Science  
Technical Committee Mechanical Transmissions  
Technical Committee Micromachines

### Workshop Chairman

Erwin-Christian Lovasz (Romania)

### Workshop Co-Chairmen

Burkhard Corves (Germany)  
G.K. Ananthasuresh (India)  
Marco Ceccarelli (Italy)  
Ion Vișa (Romania)

### International Scientific Committee

### With the support of the Romania IFTOMM

#### National Committees:

**ARoTMM:** Ion Vișa, Vistrian Mătieș, Erwin-Chr.  
Lovasz, Cătălin Alexandru

**ROAMET:** George Dobre, Vasile Bolos,  
Gheorghe Moldovean

#### Aim

The aim of the workshop is to bring together researchers, scientists, industry experts and students to provide, in a collegial and stimulating environment, the opportunity for know-how exchange and build up collaboration in the field of Mechanism and Machine Science.

#### Topics

Mechanism and Machine Design  
Biomechanics  
Mechanical Transmissions  
Mechatronics  
Computational and Experimental Methods  
Dynamics of mechanisms and machines  
Micromechanisms and Microactuators

#### Submission, presentation and publication

Authors are invited to submit a full paper to e-mail address [metrapp-2011@mec.upt.ro](mailto:metrapp-2011@mec.upt.ro). The official language of the workshop is English. Overhead projectors and beamers for personal computers will be available. Each paper will be reviewed and the papers selected by the Scientific Committee will be published in a book edited by Springer MMS Series.

#### Deadlines

Full paper submission: April 15, 2011  
Acceptance notification: May 30, 2011  
Final paper submission: June 15, 2011

#### Registration

The registration fee includes the complete program of the workshop MeTrApp 2011 and paper publication. The registration fees are:  
Early Registration/IFTOMM Members 300 Euro  
Registration after June 15, 2011 400 Euro

Students/Accompanying Person 250 Euro  
Registered participants will receive a copy of the workshop book.

#### Venue

The Workshop will be held in Timișoara at the Politehnica University. Timișoara is a city with long European tradition. It is the first city in Europe with electrically night illumination (1884). Timișoara is located in the S-W of Romania (in Banat) and because the city has many beautiful gardens, it is known as city of flowers. It is easily accessible from all countries by plane, train or car (see website).

#### Accommodation

Timișoara provides accommodation in several hotels of different categories. Early reservation is recommended by contacting directly the Organising Committee Secretariat. A list of hotels will be soon on the site of the conference available.

#### Further Information

This is the first call for papers intended to inform about the aim, topics and important dates of the workshop. Detailed information about venue, accommodation, social program and other topics will be included on the workshop.
